

HEALTH CARE

Ervin Cohen & Jessup LLP has a long and rich tradition of providing legal services to the health care industry. Our Health Care Group has strong ties to several large proprietary hospital systems and maintains ongoing relationships with a diverse mix of organizations and individuals in the health care field. Clients include hospitals (both acute and specialty), academic medical centers, universities, ambulatory surgical centers, specialty providers, home health agencies, skilled nursing and intermediate care facilities, medical groups, physicians and management services organizations.

Services for the Health Care Industry

We have an impressive track record in helping clients achieve their goals. We have handled more than 100 acquisition and divestiture transactions of hospitals and/or health care systems, having an aggregate value well in excess of \$12 billion.

Among the areas of expertise available in our Health Care Group are:

- Joint ventures, mergers, acquisitions and reorganizations
- Purchase, sale and lease of health care facilities
- Facility licensure and accreditation
- Fraud and abuse, including illegal remunerations, prohibited self-referrals, the corporate practice of medicine and fee-splitting
- Physician-alignment and clinical integration models, including those arising from professional services, recruitment, directorships, joint activities, space and equipment leasing
- Managed care and operational contracts
- Group practice organization, maintenance, operation and sale, including physician compensation and risk management
- Regulatory compliance and administrative litigation
- Professional discipline, including license investigations, Medical Board accusations and hearings and medical staff privileges
- Utilization review and quality assurance
- Data and privacy, HIPAA compliance, medical record confidentiality and informed consent
