

ECJ EMPLOYMENT SEMINAR: NEW LAWS UPDATE FOR 2016 - JANUARY 21, 2016

11.12.2015

Change is good... unless you are an employer in the State of California. The Fair Pay Act, curing wage statement violations, adjusted paid sick leave rules, new manager individual liability standards, expanded non-retaliation provisions, updated tests for independent contractors, etc.—over the last year the California Legislature and the federal government have been busy changing the landscape in which California employers do business and, contrary to what your mother may have told you, what you don't know CAN hurt you! We will review the most important developments that may have an immediate impact on the way you do business. Don't miss this opportunity to stay on top of the issues... before the issues come after you!

This seminar will be presented by Kelly O. Scott, Esq. See flyer here for additional information.
